Palm Springs Middle School Wins Award For Sports Uniforms!

At Palm Springs Middle School, Coach Henderson was at work applying for grants once again and won! The Uniform Funding Foundation (TUFF) recently awarded Palm Springs Middle School with uniforms for the boys and girls basketball teams. TUFF representatives, faculty, parents and students participated in the uniforms reveal at an onsite school event on February 25, 2026, as they also listened to Robert Burns, a player from the Atlanta Falcons and now a motivational speaker for athletes. “I want my students to have everything and submitting these grants I feel I am going that extra mile for them,” said Sheryl Henderson, Palm Springs Middle (PSM) Department Head and PE Teacher.

“Palm Springs Middle School stood out among many applicants because of its deep commitment to academic achievement, student growth, and community pride.” stated Adam Shibley, Founder of TUFF. “Palm Springs Middle School represents exactly the kind of environment where TUFF’s programs can make a meaningful impact,” he concluded.

“New uniforms don’t just change how our basketball teams look, they change how they feel. They spark pride in their school, build confidence, and turn a group of players into one unstoppable team,” said Zorilin Vazquez, Palm Springs Middle Athletic Coordinator.

The Uniform Funding Foundation (TUFF) was founded by Adam Shibley in 2018 to help alleviate the financial burden placed on individuals from low-income communities. Since then, TUFF has impacted over 5,000 youth athletes in 16 states and 4 countries.

A program that is TEACH-Grant-eligible at one school might not be TEACH-Grant-eligible at another school. Additionally, even if a program meets the eligibility requirements to be a TEACH-Grant-eligible program, it may not be designated as TEACH-Grant-eligible by the school. Contact the financial aid office at the school you are attending (or that you plan to attend) to find out which programs at that school are eligible.”

Players Trust

The Players Trust has worked alongside our Major Leaguers to implement a series of youth development programs all designed with the same end result in mind – to find the most exciting ways to engage young people in the games of baseball and softball so they may further develop their love of learning, their understanding of the world around them, and their 21st century skill set.

If your school or nonprofit currently works with youth in the United States, Latin America, or the Caribbean, there may be availability for your program to participate in a future cohort.

OGA Spotlight

OGA participates in 2026 Superintendent's 5K!

On March 7, over 6,300 runners and walkers came together to support our public schools across Miami-Dade County for the EdFed Race for Education at its 11th Annual Superintendent's 5K. Raising a record breaking \$125,000, participants included children, parents and guardians, teachers, and administrators representing over 200 M-DCPS schools in our community.

Office of Grants Administration shared in this incredible moment. The impact goes beyond the finish line and back to funding our schools!

Since 2008, the Miami-Dade County Public Schools Foundation (formerly the Foundation for New Education Initiatives) has brought tens of thousands of families together at the Superintendent's 5K.
