Grant Opportunities and Resources for M-DCPS' Educators, Students and Families

January 2023

Calling all Entrepreneurs

Miami-Dade County Public Schools (M-DCPS) was awarded \$100,000 from the State of Florida for an Entrepreneurship Education and Training Grant. Miami-Dade County Public Schools will join 8 state colleges and 17 school districts throughout the State of Florida to promote entrepreneurial efforts. Entrepreneurship education and training (EET) refers to both academic education and formal training interventions or activities that share the broad objective of providing individuals with the knowledge and skills necessary to start, operate, or scale an enterprise. This includes entrepreneurial mindsets and entrepreneurial capabilities.

This funding will help students learn about how to run a small business and connect them with available opportunities. M-DCPS will implement activities such as the following:

- Higher Education Visits - Students and teachers will visit institutions of higher education such as Miami Dade College and Florida International University to learn about entrepreneurship programs that lead to credit certificates, and AS and BS degrees.
- Partnership with Miami Dade College - Students will take a seven-week virtual course to learn social media marketing techniques for running a business.
- StartUP FIU Youth Entrepreneurship Program - Students will learn about a collection of transformational experiences that prepare today's youth for entrepreneurial pursuits.
- Y.E.P. IdeaStudio and Speaker Series - IdeaStudio is a seven-week virtual program with FIU that will equip students with the entrepreneurial mindset, skills, and know-how to propel their startup ideas forward. The Speaker Series will consist of online conversations with successful entrepreneurs.
- eReadiness Software - This seven-week virtual program with FIU will equip students with the entrepreneurial mindset, skills, and know-how to propel their startup ideas forward.
- Entrepreneurship and Small Business (ESB) Certification Training - Teachers will attend a training to assist them with passing the ESB exam.

Rolling Opportunities

The Fruit Tree Planting Foundation

Our “Fruit Tree 101” program creates outdoor edible orchard classrooms at public and nonprofit schools of all levels, across the country, to provide generations of students with environmental education opportunities and a source of organic fruit for improved school lunch nutrition. The “Fruit Tree 101” event is typically completed in two parts. The first, typically held on a weekend to accommodate volunteer schedules, involves planting the orchard under the direction of our certified arborist. The second part, held when school is in session, invites students to join FTPF’s instructors for a fun, hour-long lesson about the importance of trees for the environment and fruit in the diet—culminating in a group tree planting exercise.

Award: Fruit trees

TEACH Grant

The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching.

A TEACH Grant-eligible program is a program of study that is designed to prepare you to teach as a highly qualified teacher in a high-need field and that leads to a bachelor's or master's degree or is a postbaccalaureate program. A two-year program that is acceptable for full credit toward a bachelor's degree is considered a program that leads to a bachelor's degree. A postbaccalaureate program is not TEACH-Grant-eligible if it is offered by a school that also offers a bachelor's degree in education.

Schools that participate in the TEACH Grant Program determine which of the programs they offer are TEACH-Grant-eligible. A program that is TEACH-Grant-eligible at one school might not be TEACH-Grant-eligible at another school. Additionally, even

if a program meets the eligibility requirements to be a TEACH-Grant-eligible program, it may not be designated as TEACH-Grant-eligible by the school. Contact the financial aid office at the school you are attending (or that you plan to attend) to find out which programs at that school are eligible.

IGT After School Advantage Program

IGT strives to close the "Digital Divide" for disadvantaged children who get left behind because they do not have the means to access computers in today's increasingly digital society. Its goal is to address the needs of underprivileged/at-risk children ages five to 18 with a meaningful, yet fun, learning experience during the critical after-school hours in a safe environment. It does this by providing qualifying non-profit community agencies and public schools with digital learning centers. Each digital learning center is unique in its design and specific to an organization's custom needs.
