OGA Team Takes on M-DCPS Opening of Schools

District Supervisor Maria Cervantes alongside Ms. Sandra Smith-Moise, Community School Assistant Principal in front of Sunset Elementary.

From August 14-15, 2025, staff from the Office of Grants Administration (OGA) assisted with the opening of the 2025-2026 school year. OGA staff members volunteered their time over two days, strategically choosing schools closest to their hometowns to give back directly to their local communities.

Administrative Director Melissa Latus dedicated her time at Arch Creek Elementary School, focusing primarily on front office operations. Her contributions included helping parents and children navigate the registration process, organizing textbooks, and sorting supplies to ensure students had everything they needed for a successful start.

“Being part of the Opening of Schools at Arch Creek Elementary was a very rewarding experience. It was wonderful to see the school team greet students and parents and make everyone feel welcome and a part of the school community,” said Latus.

Executive Director Montserrat Balseiro provided hands-on support at Coral Gables Preparatory Academy, where she took on cafeteria duty and worked alongside cafeteria staff to ensure smooth meal service operations during the hectic opening days.

District Supervisor Maria Cervantes offered comprehensive assistance at Sunset Elementary, contributing to multiple areas including student pick-up and dismissal coordination, cafeteria duty, and supply distribution to ensure students received necessary materials.

TEACH Grant

The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching. A TEACH Grant-eligible program is a program of study that is designed to prepare you to teach as a highly qualified teacher in a high-need field and that leads to a bachelor's or master's degree or is a postbaccalaureate program. A two-year program that is acceptable for full credit toward a bachelor's degree is considered a program that leads to a bachelor's degree. A postbaccalaureate program is not TEACH-Grant-eligible if it is offered by a school that also offers a bachelor's degree in education.

Schools that participate in the TEACH Grant Program determine which of the programs they offer are TEACH-Grant-eligible. A program that is TEACH-Grant-eligible at one school might not be TEACH-Grant-eligible at another school. Additionally, even if a program meets the eligibility requirements to be a TEACH-Grant-eligible program, it may not be designated as TEACH-Grant-eligible by the school. Contact the financial aid office at the school you are attending (or that you plan to attend) to find out which programs at that school are eligible.
