Grant Opportunities and Resources for M-DCPS' Educators, Students and Families

2022 Summer Youth Internship Program

The Summer Youth Internship Program (SYIP) was a success this summer. Through collaborative efforts, the following organizations worked together with a single intent in mind: to provide a meaningful paid summer internship opportunity for youth across Miami-Dade County:

- Miami-Dade County Public Schools
- The Children's Trust
- CareerSource South Florida
- EdFed
- Foundation for New Education Initiatives, Inc.

High school youth throughout Miami-Dade County were invited to apply for a life-changing experience. For Summer 2022, 2,738 students enrolled of which 99% (2,729) successfully completed the program. SYIP intentionally recruited participants from high-risk populations. Of those who enrolled in the program, 77% (2,116) qualified for free or reduced-price lunch and 29% (802) were Exceptional Student Education youth.

The unique structure of this high-quality summer internship program included parent, student and employer orientations conducted virtually, online pre-internship training for interns, student interns assigned to certified M-DCPS teachers, a curriculum that includes weekly assignments, and an online interface, and MiamiInterns.org for registration and matching of interns and employers.

One benefit of the SYIP program includes eligibility to receive high school credit in addition to receiving dual enrollment credit for those students who meet Miami Dade College or Florida International University eligibility criteria. SYIP 2022 reflected the largest increase ever in students who applied for college credit (405); 365 students were accepted, with 341 students successfully completing the program.

21st Century Community Learning Centers - Earlington Heights

Congratulations to Earlington Heights on receiving 21st Century Community Learning Centers (21st CCLC) funding for 2022-2023. This is the sixth year Earlington Heights Elementary School has been awarded funding from the Florida Department of Education.

Florida's 21st CCLC programs are designed to provide academic enrichment, a broad array of services designed to reinforce and complement the regular academic program, and literacy and related educational development to students and their families during non-school hours. The Earlington Heights community is fortunate to be funded for several out of school hour programs. Students will be able to participate in Before School, Afterschool, Saturday and Summer activities.

Since 2016, Principal Jackson Nicolas has led the Earlington Heights C.U.B.S with extraordinary leadership as evidenced by receiving the Miami-Dade County Public Schools "Principal of the Year" award in May 2022.

Principal Nicolas thanks his team of grant writing staff who assisted in writing the application:

★ **Adriane Floyd-Jefferies**

★ **Kathia Elisbrun**

★ **Frederick Gadson**

★ **Tracy Soto**

★ **Renee Blanc**

★ **Aline Wilson**

★ **Jordan Mcfarlane**

★ **Shahllynn Ramontal-Frenandez**

★ **Arlene Miller- Peart**

★ **Ana Rubio**

★ **Denver Dixon**

This is the 6th round of funding for Earlington Heights and they are ecstatic! Principal Nicolas and his team worked diligently to write a successful proposal and look forward to bringing the following programs and activities to the students at Earlington Heights:

- New computers
- Music - Drumline
- Martial Arts
- Coding
- Chess Program
- Cheerleading
- Before school, Afterschool & Saturday academic and social programs

Rolling Opportunities

The Fruit Tree Planting Foundation

Our “Fruit Tree 101” program creates outdoor edible orchard classrooms at public and nonprofit schools of all levels, across the country, to provide generations of students with environmental education opportunities and a source of organic fruit for improved school lunch nutrition. The “Fruit Tree 101” event is typically completed in two parts. The first, typically held on a weekend to accommodate volunteer schedules, involves planting the orchard under the direction of our certified arborist. The second part, held when school is in session, invites students to join FTPF’s instructors for a fun, hour-long lesson about the importance of trees for the environment and fruit in the diet—culminating in a group tree planting exercise.

Award: Fruit trees

TEACH Grant

The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching.

A TEACH Grant-eligible program is a program of study that is designed to prepare you to teach as a highly qualified teacher in a high-need field and that leads to a bachelor's or master's degree or is a postbaccalaureate program. A two-year program that is acceptable for full credit toward a bachelor's degree is considered a program that leads to a bachelor's degree. A postbaccalaureate program is not TEACH-Grant-eligible if it is offered by a school that also offers a bachelor's degree in education.

Schools that participate in the TEACH Grant Program determine which of the programs they offer are TEACH-Grant-eligible. A program that is TEACH-Grant-eligible at one school might not be TEACH-Grant-eligible at another school. Additionally, even

if a program meets the eligibility requirements to be a TEACH-Grant-eligible program, it may not be designated as TEACH-Grant-eligible by the school. Contact the financial aid office at the school you are attending (or that you plan to attend) to find out which programs at that school are eligible.
